Transport of dangerous goods is prohibited on the roads from 6:00 to 22:00 during the entire duration of tunnel closure.

## OBJECTIVE: SAFETY

**BELATE**  
(2.960 m)  
**ALMANDOZ**  
(1.210 m)

The Belate and Almandoz tunnels will close temporarily from the month of June for adjustment to European safety regulations.

### IMPROVEMENTS

#### 01

Creating two new lay-bys in Belate to halt vehicles in the event of an emergency.

#### 02

Installing a draining system to remove toxic and inflammable liquids.

#### 03

Fitting new fire-resistant cabling in both tunnels.
