

+

The first part of the book is a treatise on the nature of the soul, and its faculties, and the manner in which it is affected by the body, and the world, and the devil. The second part is a treatise on the nature of the body, and its faculties, and the manner in which it is affected by the soul, and the world, and the devil. The third part is a treatise on the nature of the world, and its faculties, and the manner in which it is affected by the soul, and the body, and the devil. The fourth part is a treatise on the nature of the devil, and his faculties, and the manner in which he is affected by the soul, and the body, and the world.
