Mediante acuerdos del Tribunal de fechas 29 de octubre, 7 de noviembre y 19 de noviembre de 2019, se procede a resolver las reclamaciones presentadas por los aspirantes en relación a las puntuaciones provisionales publicadas, con el resultado siguiente:

- Se acuerda anular las preguntas 22 y 24 del modelo A y las preguntas 23 y 24 del modelo B, de la parte I de la primera Prueba, al entender el Tribunal que el contenido de las mismas excede del contenido requerido en las bases de la convocatoria-
- Se acuerda anular las preguntas 31, 32, 33, 34 y 35 de los modelos A y B de la segunda Prueba, al entender el Tribunal que era imposible su correcta resolución dado que para ello en el cuestionario de preguntas debería haber aparecido el cuadro base sobre el que se basan las preguntas en color y aparecía en blanco y negro.
- Se acuerda anular la pregunta 73 del modelo A y 63 del modelo B, de la segunda Prueba, dado que tal y como estaba planteada en el cuestionario de preguntas podían plantearse diferentes respuestas correctas.
- Se acuerda modificar la respuesta estimada como correcta en la pregunta 48 del modelo A y 55 del modelo B, que pasa de la d) a la b), al considerarse por el Tribunal que la respuesta correcta es la b).
- Se acuerda desestimar las reclamaciones presentadas sobre el resto de preguntas de los cuestionarios, dado que el Tribunal entiende que las mismas son correctas por estar ajustado su contenido a las bases de la convocatoria y no suponer en su descripción y en la respuesta estimada como correcta, inconveniente alguno para su acertada resolución.
- Se acuerda desestimar las reclamaciones presentadas sobre las puntuaciones asignadas en los resultados provisionales, por que revisadas individualmente por el Tribunal no se han encontrado errores en las puntuaciones publicadas.
